

ISHWARI UGALE

Software Developer | AI&DS

ABOUT ME

I am a motivated AI & Data Science student with a strong interest in solving real-world problems using data-driven approaches. I bring strong communication, decision-making, and problem-solving skills, along with a creative mindset and a passion for teamwork and organizing events. I enjoy sketching and thinking creatively, which helps me approach challenges from unique perspectives. I am eager to continuously learn, explore AI/ML technologies, and contribute to impactful, innovative solutions.
